Administrative history / Biographical sketch

Note

The American Osler Society was founded in 1970 for the purpose of bringing together members of the medical and allied professions with a common interest in memorializing and perpetuating the principles of life and humanism as practiced by Sir William Osler. The first meeting was held in Denver with William B. Bean as president, George T. Harrell vice-president, Thomas M. Durant 2nd vice-president, John P. McGovern secretary, Alfred R. Henderson, treasurer-historian and Edward C. Rosenow, Jr secretary-elect.

Custodial history

Since January 9 1981, the Osler Library has been the official repository for the archives of the American Osler Society. Old accession numbers 643, 588 and 589. Records of the American Osler Society are transferred to the Osler Library Archives annually. All accessions have been processed as of November 2013. Further accruals are expected.

Scope and content

Fonds consists of documents, which illustrate the founding, and the activities of the American Osler Society. Included are the administrative and financial documents, minutes, reports, correspondence of the officers, correspondence with members, files regarding links with other organizations and a survey. The

fonds also contains documents related to membership, the annual meeting, the William B. Bean Student Awardship, the John P. McGovern Award Lectureship and publications generated by the association.

Fonds contains the following series:

P125/A Constitution and Structure

P125/B Administration

P125/C Correspondence

P125/D Finances

P125/E Membership

P125/F Annual Meeting

P125/G William B. Bean Student Research Award

P125/H John P. McGovern Lecture

P125/I Public Relations and Links with other Organizations

P125/J Publications

P125/K Special Projects

P125/L Archives

Notes

Title notes

- **Source of title proper:** Title based on the documents of the fonds.

Conditions governing use

Items can be requested for consultation "online via the Library Catalogue":<http://mcgill.worldcat.org/oclc/742415371> or by email at osler.library@mcgill.ca. Advance notice is recommended.

Finding aids

Finding aid last updated for accruals in November 2013.

Accruals

Further accruals expected.

Series P125-G: William B. Bean Student Research Award

Date: 1985-2000 (date of creation)

Scope and content:

Series consists of two subseries, P125/G1 William B. Bean Student Research Award committee documents and P125/G2 Candidates Files containing records created by the committee administering this program. This research studentship has been developed to support research in the broad areas of medical history and medical humanism. The successful applicant may be eligible to present a paper based on his findings at the annual meeting of the American Osler Society. Series includes correspondence, report, copy of last will and testament, application forms, drafts of announces, request of information, research proposals, curriculum vitae and bibliographies, letter of appraisal and notification of award.

Physical description: 7,5 cm of textual records.

Note:

Originals and copies.

Accruals:

Further accruals are expected.

Publication status:

File / item list

Subseries P125-G-G1: William B. Bean Student Research Award Committee

Date: 1985-2000 (date of creation)

Scope and content:

Subseries consists of documents generated by the activities of the committee. Includes correspondence, report, copy of last will and testament, application forms, drafts of announces and request of information.

Physical description: 1,5 cm of textual records.

Note:

Originals and copies.

Publication status:

Published

File / item list

Subseries P125-G-G2: Candidates' Files

Date: 1986-2000 (date of creation)

Scope and content:

Subseries consists of successful candidates files related to the William B. Bean Student Research Award. A typical candidate file contains applications forms, research proposals, curriculum vitae and bibliographies, letter of appraisal, correspondence and notification of award.

Physical description: 6 cm of textual records.

Note:

Originals and copies.

Arrangement:

Includes nineteen files arranged in chronological order.

Publication status:

Published

Conservation:

Photocopy required.

File / item list**Series P125-H: John P. McGovern Lecture**

Date: 1985-2006 (date of creation)

Scope and content:

Series consists of three subseries containing records generated by the John P. McGovern Lecture, which was established in 1986 through the endowment of the John P. McGovern Foundation. The lectureship makes possible an annual presentation of a paper dedicated to the general areas of Sir William Osler's interests in the interface between the humanities and the sciences. The lectureship is awarded to a leader who is selected by a committee of the American Osler Society. The records include the records of the John P. McGovern Lecture Committee (P125/H1); documents regarding the annual lecture (P125/H2); the published pamphlets of the lectures and textual materials generated during the preparation of the edited volume *Our lords, the sick: McGovern Lectures in the history of medicine and medical humanism* (2004) (P125/H3). Series includes correspondence of the secretary-treasurer with John P. McGovern, guidelines of the committee, programs, press release, and newspaper clippings.

Physical description: 11,5 cm of textual records. -- 7 photographs : black & white and colour. -- 3 computer disks.

Accruals:

Further accruals are expected.

Publication status:

Published

File / item list

Subseries P125-H-H1: John P. McGovern Lecture Committee

Date: 1985-2000 (date of creation)

Scope and content:

Subseries consists of documents created by members of the committee regarding the selection of the speaker for the John P. McGovern Lecture at the annual meeting of the American Osler Society. Includes one file of correspondence of the secretary-treasurer with John P. McGovern, guidelines of the committee, programs, press release and newspaper clipping.

Physical description: 1.5 cm of textual records.

Note:

Originals and copies.

Publication status:

Published

File / item list

Subseries P125-H-H2: Lecturers' Files

Date: 1985-2000 (date of creation)

Scope and content:

Subseries consists of the file of the speaker selected for the John P. McGovern Lecture. The presentation of the speaker is published afterwards in the John P. McGovern Lecture Series of the American Osler Society. Typical file includes correspondence, notification of selection, curriculum vitae, guidelines, presentation, manuscript, galley proofs, and drafts.

Physical description: 10 cm of textual records. -- 7 photographs : black & white and colour. -- 3 diskettes.

Note:

Originals and copies.

Arrangement:

Contains thirteen files arranged in chronological order.

Publication status:

Published

Conservation:

Photocopy required.

File / item list

Subseries P125-H-H3: Publications and Volume Preparation

Date: 1986-2006 (date of creation)

Scope and content:

Subseries consists of published pamphlets of the John P. McGovern Lecture, and manuscripts and correspondence accumulated during the preparation of the edited volume *Our lords, the sick: McGovern Lectures in the history of medicine and medical humanism*, by Larry Longo.

Physical description: 9.5 cm of textual records.

Note:

Originals and copies.

Publication status:

File / item list

Series P125-I: Public Relations and Links with Other Organizations

Date: 1979-2007 (date of creation)

Scope and content:

Series consists of three subseries P125/I1 Osler Library of History of Medicine, P125/I2 #13 Norham Gardens, P125/I3 American Association for the History of Medicine showing the privileged links of the association with these organizations. Series includes correspondence, receipts, newsletter, grant request and one agenda.

Physical description: 3.2 cm of textual records.

Note:

Originals and copies.

Accruals:

Further accruals are expected.

Publication status:

Published

File / item list**Subseries P125-I-I1: Osler Library of the History of Medicine**

Date: 1985-2007 (date of creation)

Scope and content:

Subseries consists of correspondence showing the links between the American Osler Society and the Osler Library at McGill University. Contains one file of correspondence with the Osler Librarian and information about the financial contributions of the Society to the Friends of the Osler Society. Includes correspondence, receipts, and newsletter.

Physical description: 1 cm of textual records

Note:

Originals and copies.

Publication status:

Published

File / item list**Subseries P125-I-I2: #13 Norham Gardens**

Date: 1979-2000 (date of creation)

Scope and content:

Subseries consists of records regarding the project of restoration of Sir William Osler's house at #13 Norham Gardens in Oxford and the refurbishing of the library and other memorabilia in the house. The three files pertain to the funding of the project with a grant from the Commonwealth Fund and contain correspondence of the Green College committee as well as the correspondence with Sir John Walton. Includes correspondence, newsletter, permissions and a grant request.

Physical description: 2 cm of textual records.

Note:

Originals and copies.

Publication status:

Published

File / item list

Subseries P125-I-I3: American Association for the History of Medicine

Date: 1993-1995 (date of creation)

Scope and content:

Subseries consists of records showing partially the links between the American Osler Society and the American Association for the History of Medicine. Includes one file with correspondence and one agenda. Some documents are annotated.

Physical description: 0.2 cm of textual records.

Note:

Originals and copies.
